

# Application for Authorization-to-Proceed

Commission For Historical and Architectural Preservation  
417 E. Fayette Street, 8<sup>th</sup> floor  
Baltimore, Maryland 21202  
(410) 396-4866

Exterior changes to all properties within Baltimore City's local historic districts and landmarks must be approved by the Commission for Historical and Architectural Preservation (CHAP) or its staff by issuing an Authorization-to-Proceed. CHAP approval must be obtained prior to receiving a building permit.

Local historic preservation guidelines are available to assist applicants with their renovation or restoration projects. CHAP staff is available to aid in obtaining the required CHAP approvals. An appointment is recommended for larger projects, or if design and/or planning advice is requested.

It is strongly advised that you do not order or purchase any materials, or proceed with any work, until CHAP approval is obtained. If applicants have questions, please call (410) 396-4866.

For Major Projects, Demolition, and Economic Hardship, please contact CHAP staff

## HISTORIC PROPERTY TAX CREDITS

The Baltimore City Commission on Historic and Architectural Preservation (CHAP) administers a 10-year comprehensive property tax credit granted on the increased appraised value directly resulting from qualifying improvements to commercial and residential historic properties. A minimum investment of 25% of the full cash value of your property, and project certification by CHAP are requirements of this program. Projects must be pre-approved before any work can start. Contact CHAP at (410-396-4866) or [historictaxcredit@baltimorecity.gov](mailto:historictaxcredit@baltimorecity.gov) for further information.

## PUBLIC HEARINGS

Certain permit requests (typically for larger projects, such as additions or new construction) will require a public hearing. **CHAP staff will notify you whether a public hearing will be needed for your project review.** Prior to a public hearing, the applicant must attend a Department of Planning pre-development meeting and a CHAP staff pre-submittal meeting. At these meetings, the applicant will receive information on next steps for all city reviews, design recommendations, and guidance throughout the process. CHAP hearings are held on the second Tuesday of the month, at 1:00 PM, in the Department of Planning, 8<sup>th</sup> floor, 417 East Fayette Street, Baltimore, Maryland 21202.
