Enterprise Zone Tax Credit Verification
Historic Restoration and Rehabilitation (CHAP)
Property Tax Credit Program

The Baltimore City Historic Restoration and Rehabilitation Tax Credit Program requires the use of the State Enterprise Zone Tax Credit Program for eligible projects. To be eligible to receive the Enterprise Zone tax credit, an application must be submitted via the Tax Credit Application System by the tax credit applicant. The below form is only to identify if the property is located in a State designated Enterprise Zone area and if it might be eligible for the Enterprise Zone Tax Credit Program. Please have the form completed by the Enterprise Zone Tax Credit Administrator at the Baltimore Development Corporation. After filling out the required information about your property below, you may deliver or e-mail a copy of this form to:

Enterprise Zone Tax Credit Administrator
Baltimore Development Corporation
36 S. Charles Street, Suite 2100
